

TD SUMMER READING CLUB AT THE LIBRARY (IT'S FREE!)

All in-library activities are for TD Summer Reading Club participants and will take place on Thursday mornings, 11:00 - 11:45am. Activities are levelled to suit all ages (3+, e.g.).

Please call or email the week ahead of each session to let us know that you intend to come.

JULY 4	3-2-1... BLAST OFF! - Space explorers, get ready to launch! We will be making an upcycled bottle rocket that you can decorate. Further exploration: https://www.ontariosciencecentre.ca/science-at-home/diy-science-fun/build-a-bottle-rocket
JULY 11	NORTHERN LIGHTS (AURORA BOREALIS) - Create a beautiful night scene with chalk pastels. This activity is levelled so that young children can participate. What makes the northern lights? Learn more about the northern lights here: https://www.asc-csa.gc.ca/eng/astronomy/northern-lights/what-are-northern-lights.asp
JULY 18	SALT GALAXY - Join us for this art activity. We will use watercolour paints and salt to create a textured twilight sky for woodland animals. See what to expect, here: https://www.happyfamilyart.com/art-lessons/watercolor-art-lessons/fun-watercolor-galaxy-and-space-paintings/
JULY 25	EARTH, AND BEYOND! - Learn about the planets in our solar system and make a wind-activated mobile that shows the planets in orbit. Learn more about our solar system here: https://www.asc-csa.gc.ca/eng/astronomy/solar-system/
AUGUST 1	LET THE SUN SHINE IN - Make a pretty little 'stained glass' sun to put on your window using tissue paper and cardstock.
AUGUST 8	LUCKY STARS! - We will be learning about the constellations that we see in our night sky and make a model of each to show what we know.
AUGUST 15	UP, UP, AND AWAY! - Join us in making a colourful hot air balloon ornament. Please dress for mess. https://www.crayola.com/crafts/hot-air-balloon-decorations-craft/
AUGUST 22	SPACE BINGO! Join us for some BINGO—it's out of this world!
