2. In this Regulation,

“conflict of interest” means a situation in which a member of an O.P.P. detachment board’s private interests or personal relationships place, or may reasonably be perceived to place, the member in conflict with their duties as a member of the O.P.P. detachment board; (“conflit d’intérêts”)

“personal relationship” includes, but is not limited to, a relationship with any of the following persons:

(2) A member of an O.P.P. detachment board shall not be subject to discipline for a contravention of subsection (1) if, on a balance of probabilities, their conduct was in the good faith performance of their duties as a board member.

4. A member of an O.P.P. detachment board shall comply with the Act and the regulations made under it.

5. A member of an O.P.P. detachment board shall not, by act or omission, conduct themselves in a manner that is likely to cause the board to fail to comply with the Act or the regulations made under it.

6. A member of an O.P.P. detachment board shall comply with any rules, procedures and by-laws of the O.P.P. detachment board.

7. A member of an O.P.P. detachment board shall not substantially interfere with the conduct of O.P.P. detachment board meetings.

8. Always doing the right things for the right reasons

COMMISSIONER'S INTRODUCTION

As an organization, the Ontario Provincial Police (OPP) strives to always do the right things for the right reasons.

The strength of our 2020-2022 Strategic Plan proved we could adapt to unforeseen challenges, including a global pandemic that impacted the way we all lived, worked and played. By underscoring our commitment to *Our People, Our Work* and *Our Communities*, we were able to remain focused, strengthening our organization's foundation and enhancing the safety and well-being of those we serve.

Setting the course for the 2023-2025 Strategic Plan gives us the space to learn from the past, take responsibility for the present, and create the future. It allows us to design policies, procedures and programs to best serve our province by protecting its citizens, upholding the law and preserving public safety.

The 2023-2025 Strategic Plan not only builds on our past successes and reinvigorates our commitments, it also embraces the evolving landscape of policing.

The nature of crime continues to evolve, giving rise to new and emerging challenges. The path set forward in the Strategic Plan will guide us through ever changing trends in crime, technology and society and will serve as the basis for our decision-making and action. We will look to these priorities as we continue to focus on our mission-critical work: providing frontline policing across Ontario in 330 municipalities; reducing injury and death on our roadways, trails and waterways; protecting critical infrastructure; providing specialized criminal, investigative and technical services; countering the exploitation of children; fighting human trafficking; confronting hate crime and preventing extremism; combating the prevalence of guns and gangs; disrupting and dismantling organized crime and the illicit drug trade; and confronting crime involving digital technologies.

The Strategic Plan serves our members by fostering a shared understanding of priorities and enabling focused collaboration. Our members are faced with innumerable challenges, and they continue to rise to meet them at every opportunity. They have committed to a career where uncertainty can quickly shift into danger, where quick decisions and unwavering resolve can make all the difference. It is in these moments of challenge that we continue to shine the brightest. I commend all Ontario Provincial Police members for their ongoing and unwavering dedication to duty, commitment and professionalism.

While we cannot predict the future – and the last three years have proven that – we can set our organization up for success by continuing to prioritize *Our People, Our Work* and *Our Communities*. Let this Strategic Plan be a testament to our resilience, a roadmap to guide us through the challenges that lay ahead, and a source of inspiration that reminds us of the profound impact we can collectively achieve.

Thomas Carrique, C.O.M.
Commissioner, Ontario Provincial Police

PURPOSE OF THE PLAN

This plan re-affirms the OPP's strategic priorities for the next three years and emphasizes the importance of collaboration, modernization and innovation to build upon previous achievements. It outlines how we will be bold and purposeful as we adapt to emerging trends in crime, technology and society, meet our public safety responsibilities, and preserve the vital policing services we deliver in Ontario.

It defines our responsibility for growth and development.

TARGET AUDIENCE

Foremost, this plan is for each and every member of the OPP; those public servants whose work improves life across the province and safeguards the fundamental rights and freedoms guaranteed by the *Canadian Charter of Rights and Freedoms* and the *Human Rights Code*. The plan also connects us with communities — those that it is our duty to serve, and those with whom we cooperate for public safety.

It is for all of us who share a common responsibility, purpose and vision.

KEY ACCOMPLISHMENTS

With an action-oriented emphasis on long-term outcomes, it delivers clarity of purpose so all OPP employees, stakeholders and communities can understand the intent of our decisions and actions. All members of the OPP support our Strategic Plan with the delivery of values-based, adequate and effective policing in the province.

It outlines our realistic, collective and purposeful responsibilities in the province.

2023-2025 STRATEGIC PLAN

Priorities and Commitments

PEOPLE

A healthy and resilient OPP

We will strive to support all members in achieving their professional and personal best.

WORK

A responsive and evolving OPP

We will empower our members to ensure the best possible policing services are delivered to Ontarians.

COMMUNITIES

A collaborative and progressive OPP

We will partner and build relationships with a shared vision for safety and well-being.

ALIGNMENT WITH THE VISION, MISSION AND VALUES

Safe Communities... A Secure Ontario is the focus of our plan.

To serve our province by protecting its citizens, upholding the law and preserving public safety is how we create *Safe Communities... A Secure Ontario*.

Serving with pride, professionalism and honour; interacting with respect, compassion and fairness; and leading with integrity, honesty and courage is the basis for every decision made and action taken when delivering on our mission toward attaining our vision.

It aligns with our responsibility to remain vision focused ~ mission driven ~ values based.

BASIS OF DEVELOPMENT

The examination and analysis of a multitude of inputs, risks, trends and drivers through various lenses, including diversity, inclusion, leadership, accountability and public safety, including:

- Our achievements and progress under the 2020-2022 OPP Strategic Plan;
- Internal and external consultations with partners such as the Provincial Indigenous Advisory Circles, stakeholders, governance entities and subject matter experts;
- Environmental and horizon scanning;
- Current/future state needs assessment;
- OPP Employee Experience Survey results; and,
- OPP Community Satisfaction Survey results.

OUTCOMES AND DETERMINATIONS

Numerous achievements and significant progress were realized through the 2020-2022 OPP Strategic Plan. **Multiple ongoing public and officer safety, victim-centred, investigative, and risk-mitigating strategic-change initiatives remain in key stages of implementation.** This requires a sustained emphasis on our current strategic priorities to optimize results in order to best serve the province, protect its citizens, uphold the law and preserve public safety.

IMPLEMENTATION STRATEGY

The OPP develops a three-year strategic plan to steer organization-wide change initiatives. Implementation is driven by the bureaus and/or program areas with direct accountability for each strategic change initiative, allowing the organization — with its vision-focused strategic plan — to work toward broad scale change. To address day-to-day, mission-oriented program and service delivery, nearly 100 action plans specific to individual detachments, regions, divisions and bureaus are created. Results are reported in the OPP Annual Report and yearly action plan progress reports, to keep our communities apprised and meet our legislated obligations.

PERFORMANCE MEASUREMENT

We will track, measure and monitor our progress using a variety of quantitative and qualitative indicators, including:

- Ontario Public Service and OPP employee survey results;
- OPP call volume, occurrence and workload data; and
- OPP Community Satisfaction Survey results;
- Other operational and organizational metrics.
- Ongoing dialogue and feedback from our members;

Every time an accidental or hang-up 911 call is received, an OPP communicator must complete a follow up process, which may include dispatching police officers to ensure there is no emergency in progress. If you've dialed 911 in error, stay on the line and speak with the communicator. This will ensure emergency resources are allocated to actual emergent situations and not accidental 911 calls.

Information on Insurance for OPP Detachment Boards

Good afternoon OPP Detachment Board Members,

The changes in governance for municipalities policed by the OPP, specifically moving from police services boards to Detachment Boards, has resulted in an unanticipated challenge with obtaining insurance. Some boards have received quotes that are extremely high, and others are required to complete further documentation prior to review by their insurance company.

The specific challenge is that Detachment Boards no longer meet the definition of a local board under the Municipal Act.

Note: If you are a Detachment Board that only has one municipality represented by the board, please do not assume you are covered by the municipality. We are encouraging you to confirm with your municipality if your board will continue to be covered by the municipal insurance. Please note that this is confirmation that all board members will be indemnified under the policy (not just municipal appointments).

AMO has been working with us to find a solution. We are hopeful to have further news on this soon. Our hope is that a new product can be designed specifically for OPP Detachment Boards.

If you have already acquired insurance, please contact oapsb@oapsb.ca and provide the details of your insurance, to help us assist other boards.

Please note: This new product does not prevent you from continuing with insurance you have already obtained on behalf of your detachment board.

Although we are urging you to continue with your appointment process (including police record checks and mandatory roles and responsibility training), we are recommending that no further board meetings take place for your OPP Detachment

Board until the insurance issue is resolved and you have confirmed that your board (inclusive of all board members) has insurance.
